IMPORTANT

VOLUNTEER I will create a roster of workers for the 1st and 2nd shifts on Friday. ASI A will bus over first thing Friday morning with ASI and return at 1:00pm. If you're working first thing Friday morning, you should just meet us at the PAC. (Shaghoian Hall lobby) **Everyone needs to do something;** set up team, 1 shift or strike crew (Sunday morning). The complete spreadsheet will be found on our website. (becjazz.org)

SET UP (THURSDAY) Please plan on meeting me at BHS and or CNHS at 3:30pm to help get things loaded, transported to CNHS the set up. (Black Box, etc). **There have been years when I've set up by myself.** Let's not have that happen. The time will be confirmed and sent out via Remind as well. CNHS Choir room set up at 7pm.

STRIKE (SATURDAY NIGHT) BHS A, don't leave Sat night until everything is packed up. We will be able to break down the check-in, warm up room and Black Box theater starting at 5pm. (BHS 2nd shift crew, it will be the last thing you do)

DRESS Coat & Tie / Dresses. Gentlemen, if you don't have a coat, then just wear a solid color button up shirt, tie, dark slacks and dress shoes. Do not go buy a coat for this event.

FOOD There will be a snack bar for you to get something to eat when you're not playing. Bring money.

INSTRUMENTS / CHECK IN Get your wrist band when you arrive in the lobby. Please put that on and do not lose it, it will get you into everything during the day Friday and ALL DAY SATURDAY. (come check out bands, wink, wink) Cases will be stored in the hallways. Please do not store anything backstage. Keep it in your car, or somewhere safe.

CONCERTS While in the Hall, be on your very best behavior. While a group is playing, do not talk. Make sure you face forward and are a good audience member. When you are eating outside of the Hall, do not run around or make a lot of noise. There are concerts going on right inside. There will be students from other schools running around and making noise.

GENERAL You're very lucky to go to a school that has a jazz festival. That should make you happy. Make sure you have this schedule with you, so you know where to go and when to go there. It will be a fun filled weekend. Play great!! Have a great time. Enjoy the night concert, it is for YOU!

SATURDAY NIGHT CONCERT The evening concert at Shaghoian Hall is mandatory. A ticket will be provided for all BEC jazz students. If you cannot attend the concert, you will have to do a make-up concert review based on listening to recordings from what you missed. This will be an amazing concert, so you do not want to miss it. I'm mostly bringing these people out for you and the students from other schools who get it.
